Hadith of the Month

Abu Hurairah narrated that the Messenger of Allah Prophet Muhammed ﷺ said: "Indeed among the excellence of a person's Islam is that he leaves what does not concern him."
(Vol. 4, Book 10, Hadith 2317)

You'll naturally come across lots of things that don't concern you but look interesting. The trick is to keep yourself from getting involved in them. Cut down on your overall consumption of information.

Message from the Principal

**Dear parents, staff, and students:
As-Salamu `Alaykum,**

I hope you all had a wonderful winter break and that this issue finds you in the best of Imaan and Health. It has been a busy month to say the least! Alhumdulillah, the Annual Sports Meet-Iqrathon was a successful event of this year. The Annual Sports Day was success a owing to the hard work of the students and teachers. It gave the students an opportunity to showcase their skills in various fields. JazakAllahu Khair to all of you who came to support our Annual Sports Meet and to all the students, parents and staff who got involved in the races. The children love to see us all having fun together and it all contributed to the wonderful family atmosphere which is such a fabulous quality of Iqra. Their competitive spirit coupled with sportsmanship spirit throughout was a pleasure to behold.

The month also witnessed the children working hard to put up a great show for the Iqra Inter Scholastic Tournament- "Carpediem'16". It was a delight to see our Iqranians put in their heart and soul in the preparation of IIST. Alhumdulillah IIS PTM was mutually beneficial and we are all overwhelmed by the motivating and supportive feedback given. It was very pleasing to see satisfied and happy parents leave after their informative meeting with our IIS staff. I have had the opportunity to meet with many parents on Saturdays and am pleased to note that those who joined this year have settled in well with the new assessment policies.

Iqra has always maintained a high attendance rate and we need that to continue. It is very important that the children are in school **every day**, for the entire day throughout the school year. When students arrive late or leave early, they miss out on important learning and it can be disruptive for the classroom. **Please help to ensure that your child is at school every day, except for illness that requires him/her to be at home.**

Wasalaam,
Sr Raziya Sultana

IQRATHON- SPORTS DAY

December 19th, 2015 was a significant day for Iqranians as we experienced our 4th annual sports meet- Iqrathon! It was held at MES ground, Jayanagar 5th block. The chief guests for the event were Mr Anees Siraj, Senior KAS officer, former health secretary, Sri Yuth Devdas, BBMP Chairman for major works and Mr. Mohammed Nazeer Ahmed, Chairman Iqra International School. The 4th Iqrathon sports meet began with a colourful parade by crowned tiny tots of Montessori, Nursery, LKG and UKG, followed by march past by the IIS wing. The four houses Jibreel, Mikaeel, Israfeel and Ridhwan marched in synchronization behind their respective captains lead by the school captain, vice captain and the treasurer. Straight after that, we witnessed a series of interesting races by our enthusiastic Iqra juniors. Their amazing performance and dedication showed their true sportsman ship! Next in line was the most spectacular ribbon drill display and Iqra formation by our students of IIS. Their co-ordination and passion was displayed at their best when they put up such an amazing show! Subsequently, with these adrenaline junkies competed in races with passionate, enthusiastic spirit; those who watched them cheered and chanted loudly. We had many champions on that day, not all of them won medals but the dedication and commitment they showed towards their teams and fellow athletes was great to watch. A great display of courage and strength was put up by our students of the karate club by an amazing karate display. Nonetheless, no one could defeat the mighty Israfeel house which ended the day atop of the charts. They were the champions of the 4th Iqrathon and bagged the winning house trophy! In a nutshell, the 4th Iqrathon sports meet was an over whelming yet wonderful day. We hope everyone enjoyed it and the credit has to go to the management, teachers, staff and students who made it an incredible and unforgettable memory.
