## **Message from the Director**

Dear parents, staff, and students:

As-Salamu `Alaykum,

I am very grateful for all the support we have gotten at our school and are getting from all of you! Although we had to undergo many transitions at the beginning of the school year, it is with immense happiness that I can say that the school is running smoothly and students are learning. Our focus is to improve our standards for the betterment of our children. We appreciate everyone's effort. Jazakum Allahu Khairun in this life and the Hereafter.

The learning curve of students, teaching practices, and the school environment must be continuously watched and improved. Hence, our final CIDTT (Cambridge International Diploma for Teachers and Trainers) observation will be held next month, after which our teachers will In sha Allah be awarded the certification.

As of now the teachers are busy completing their 1<sup>st</sup> term portions and the students are busy preparing for their 1<sup>st</sup> term assessments. Apart from our school assessments, all of us at IIS are eagerly looking forward to our students participating at the prestigious International Olympiad exams. May Allah (S.W.T) reward them for their hard work! But the journey isn't over yet. Let's continue to work hard and do our best in the coming days.

September 6<sup>th</sup> is dedicated to Teacher Appreciation at IIS and IJ. Join us in acknowledging the wonderful work that our teachers have been putting forth throughout. Our teachers are our greatest assets. May Allah (SWT) reward and bless them and bless their families for all that they do for our students. Please assist your child in showing their teachers a great deal of appreciation on that day.

Wasalaam  
**Sr. Noor Ayesha**

## **Email ID's**

Parents who have not mentioned their email ID's or whose ID's have changed, please update the same ASAP by calling the front office. Our new school management software will help you receive reminders and acknowledgements on your email.

## **Olympiads**

The prestigious Olympiad exams begin! The first exam is NCO (computers) and is scheduled to be held on September 19<sup>th</sup>. Please help your child prepare well for the exam by making them practice sample papers available on [www.sofworld.org](http://www.sofworld.org) and on their facebook page - Olympiads in India.

## **Saturday Remedial / Bridging Classes**

To help some students catch up with the rest of their peers in specific subjects, teachers began conducting remedial /bridging classes on Saturdays. You would have received a call if a particular subject teacher felt your child requires remedial/bridging classes. Please make sure your child does not miss these important and beneficial classes.

*If you have a change of address or phone number please inform the School Admin immediately.*

## Hadith of the Month

"Prophet Muhammad (peace and blessings be upon him) said: 'You will not enter Paradise until you have faith, and you will not have faith until you love each other. Shall I direct you to something which if you fulfill you will love one another? Spread the salutation of peace amongst yourselves.'" *Sahih Muslim (Book 001, Number 0096)*

## Charity Week

One of the most awaited events at IIS is the wonderful and immensely impacting charity week, full of different events on each day to practice one of the 5 pillars of Islam. The joy, the enthusiasm and the fun we all had at IIS during this week is beyond what words can describe. The icing on the cake was the smile we saw on the faces of the children at the orphanage. SubhanAllah! A colorful and rewarding Eid party awaited us all after a good Ramadan break. Alhumdulillah. Please visit our facebook page to view the lovely pictures of all these events.

## Field Trips

The LKG and UKG students enjoyed their field trips to the fire station while the Grade 3 students had a good time exploring trees and plants as part of their Science lesson at the botanical garden.

## IIS-IJ Big Clean Up

Yet another wonderful event at IIS and IJ to practice what we preach! The entire school joined hands to clean up the school and practice the hadith of our prophet (pbuh) - cleanliness is half our faith! MashaAllah the older students helped their younger counterparts and developed their buddy relations.

## IIS-IJ Got Talent Week

The week from 9<sup>th</sup> to 13<sup>th</sup> in September, every child of IIS and IJ will be given an opportunity to portray their talent. Different interesting and fun competitions will be held on each day of this week and children will be encouraged to participate. If your child has a particular talent, please inform us and encourage him/her to showcase it during this week.
