MESSAGE FROM THE VICE-PRINCIPAL

Assalamualaikumwarahmatullahiwabarakatuhu

As tradition follows at Iqra, learning is inferred by inventive education and our students have ventured one step ahead in development with workshops and research projects. It is alluring to witness our Iqranians settle and progress with learning. It's amazing to see every one of them excitedly making the most of their scholastic and co-curricular activities. Our IHP program is functioning smooth and benefiting the huffadhs. We trust that the parents are following the routined 20 minutes of dedicated reading time with the children. It is a humble request to our parents to spend some quality time with children during dinner/breakfast. Also send delicious food to ensure that they complete it as the kids are growing. These days working parents don't get enough time due to their busy schedule. It is a kind request to make it a priority to give quality time to your kids to avoid the numerous dangerous situations.

BROWN DAY

Qudsia Rumie

Brown is the colour of earth, wood and stones. Shades of brown convey idea of earth-friendly and natural resources. On July 19th 2017, our Iqranians at the Junior Block had “Chocolatey Brown Day”. The ability to identify colors is considered a marker and milestone in a child's cognitive developmental process and is often a part of early screening for growth and educational admittance. To recognize and identify the different shades of brown was the motive behind this Celebration. The amazement of the kids knew no bounds when they found the cut-outs of Teddy bears, Monkeys, Ice-cream cones, Reindeers, plum cake and Caterpillars stuck in the corridor. It was truly amazing to see all children come dressed up in brown colour. They enjoyed story, songs and colouring activities related to the theme.

FOODIE GOODIE WEEK

Kaneez Fathima Khan

Foodie Goodie week was an opportunity to relish food and make our children realise the importance of healthy food in their daily lives- because healthy kids learn better! Celebrating health and Wellness is not just about one day or a week.. Foodie Goodie week is about showcasing school's accomplishments in creating health promoting environment throughout the year .So, we request our dear parents to continue sending healthy food for the children and incorporate the same at home, because - 'anytime is the right time to introduce kids to healthy habits'.

Eid Party

Azma Khanum

Our Iqranians had their much awaited Eid Party on Saturday the 8th of July 2017. The children arrived at school dressed in their pretty and colorful Eid dresses. The classrooms, the corridors and the stairs, in other words the entire school was beautifully decorated with colorful balloons and streamers. The children enjoyed themselves as they played various interesting games and watched their teachers play in the play area, cheers and chants of takbeer echoed in the entire school, MashaAllah.

At Iqra we believe in setting examples rather than just preaching, the children witnessed their mothers participate in various games organised by the staff. There were shrieks of joy and delight as the children received their gifts. All thanks to our director and management who gave an opportunity to the mothers to spend some time playing with their children. Most Importantly the children were happy to receive gifts on the same day followed by some yummilicious snacks.

GARDEN TRIP

Shaheen Mehkri

We started the day with a dua and lot of exciting discussions with children happened in the van. Very soon we reached the Lake park, children had their snacks and they set off exploring the wonderful creations of the most Magnificent, The most Glorious, Allah subhana wa taala .

The Islamic studies teacher, who accompanied us, kept on reminding the children about the creator and also to say 'Subhan Allah'.

Later, we met some people from the Forest Department of Karnataka. They were very happy to Welcome our children. This meeting was followed by a photo session with them. They handed over some posters with a message on it saying 'SAVE TREES'. They also gifted our students with a number of plants..

To sum up, it was a 'Fun-Filled' trip.

Sandwich Day

Sadiya Kabir

The day began with enthusiasm, children as well as teachers along with the rest of the staff members were super excited . Each child experienced making sandwiches with fresh cut vegetables The sandwiches toasted with soft butter were yummy and the children enjoyed to the fullest. Alhumdulillah.

A vegetable Sandwich is a quick, tasty and a healthy meal. We encourage parents to continue making meals with vegetables which are interesting for the kids.

IT'S STARTING TO GET CHILLY!

Our students need to dress for the weather that is rapidly turning chilly. They must go outside for fresh air breaks usually twice a day or more and need to ensure to bring appropriate outdoor clothing! Please dress your child in layers so they are prepared for changing temperatures. Our students need to be able to put on, zip up, tie up or snap things up, so practice at home is helpful!
