Message from the Principal

Dear parents, staff, and learners:
As-Salaamu `Alaykum,

The month of November was exceptional as our school was involved in showcasing talent, full of programs and activities. It was heartwarming to see the little ones come out with their imagination/creativity and presence of mind in their respective events. The results of the Talent Week have been put up on the notice board outside the school and have been announced in the assembly. JazakAllahu Khairan for the warmth and cooperation extended throughout the week. It has been our pleasure to have you as our partners as you have left no stone unturned to share equal responsibilities in making our learners showcase the best.

During the years we have indeed developed a strong parent connect with you and achieved many milestones. Reflecting back, I am ecstatic to note the numerous achievements by our school which were achieved due to support and cooperation. We look forward to receiving the same every year. InshaAllah!

Sports Day is just around the corner, practice has already begun. It is time now for our Iqranians to show the sports man spirit. "Iqra" will RISE HIGH & SOAR. InshaAllah! Many milestones have been achieved; many are yet to be conquered, with fresh hope and new thinking Iqration will be held on the 20th of December, 2014. Looking forward to see you all.

Wasalaam
Sr. Rubeena Mozaffar Jafri
Principal

Hadith of the month

Narrated Abu Huraira:

The Prophet ﷺ said, "Religion is very easy and whoever overburdens himself in his religion will not be able to continue in that way. So you should not be extremists, but try to be near to perfection and receive the good tidings that you will be rewarded; and gain strength by worshipping in the mornings, the nights."

Sahih Bukhari Volume 1, Book 2, Number 38

Admissions 2015-16

Take a 'Bake'

Joyous Iqranians enjoyed their time in bus. After a happy-happy snack session, the kids stepped in the cake factory of course, class-wise (Queue manners, you see!). They had a great time watching the bakers bake some cakes, sounds fun. This was just not the end. It was followed by the ice storage view, which comprised of three different variety of storage. Then they saw how cream biscuits, bread, cookies etc were taking form along with the much spoke of icing and saw different types of machines utilized in the entire process, mainly the ovens. They took a bite of the cookies. They visited the cold storage area as well- 5 degree Celsius temperature. And they treated themselves with bought bread/ cookies etc. Hurray!

Theme of the month

The theme of the month was something as interesting and wonderful such as respecting other religion people. However surprising it may seem, but this was really essential being a resident of a country with diverse cultures. Children prepared wonderful charts with related ayaahs which was spell-bounding. Few children gave a presentation on accepting and respecting set of people from any community. On the spot skit was performed which left us amazed with such an incredible enigmatic effect. Tell us you are pleased!

OIAS Department

It had its most awaited event of the year. Needless to say, The Qirat competition. Wherein each Iqranians competed mightily with one another to mesmerize everyone with their beautiful recitation from the "Noble Quran". The students from the "Intense Hifdh" programme took the lead in displaying their "aadab", performance & style of recitation which was purely a pleasure to watch and hear. It was a tough judgement as all were equally enthusiastic and they all put up their best. Visual ecstasy through and through!

Talent week

We had a talent week in the third week of the month. Under which, Many competitions were conducted such as the, Qirat, storytelling, drawing, Spellathon, pick and speak, best out of waste. etc, just to name a few. Every learner participated in each competition and enjoyed themselves to the core. The children actively showcased their hidden talent by participating in their favorite competition. The whole week we all had a lot of fun in the classrooms, not to forget, the fun-filled learning that IQRA believes in. MashaAllah the credit even goes to our parent, It is all because of their efforts that our children explored their talents. Let us take a little share too!
Kudos to our kids, kudos to their efforts!

Dates to Remember

20 th of December	"IQRATHON"-Sports Day
21 st to 28 th of December	Winter Break
29 th of December	School Re-Opens
29 th of January	International English Olympiad
