Message from the Principal

We have come to the end of an extended first term and I am sure everyone is looking forward to the IIS Parent-Teacher meet. It has been a challenging term, but I would like to thank parents and our learners for their co- operation in ensuring that we had a productive start to the year.

Alhumdulillah IJ PTM was mutually beneficial and we are all overwhelmed by the motivating and supportive feedback given. It was very pleasing to see satisfied and happy parents leave after their informative meeting with our IJ staff. I have had the opportunity to meet with many parents at our information Saturdays and am pleased to note that our new learners have settled in well and have quickly adjusted to their new school environment.

I hope it will be another successful term for all our learners especially our Grade learners as we will be introducing mock checkpoint assessments for the first time. They are also preparing to face the Olympiads yet again. Insha Allah they will be granted wisdom, determination and dedication to their studies.

Learner's academic and QIAS success is the main goal of every staff member at Iqra International School. We believe that every learner will learn to the highest level and we are prepared to spend more time and support to every learner who needs it. I ask for your support and participation in this effort by making sure your child is regular to school, encouraging your child to read at least 30 minutes every evening, monitoring your child's homework, and asking your child to share what they learnt at school each day.

My sincere thanks to my hard-working team of educators and support staff for their efforts during the first term and best wishes to all parents for a joyous IIS PTM InshaAllah.

Hadith of the Month

"The Prophet ﷺ used to seek Allah's protection for Al-Hasan and Al-Husain by saying:

أَعِيذُكُمْ بِاللَّهِ النَّامَةِ مِنْ كُلِّ شَيْطَانٍ وَهَامَّةٍ وَمِنْ كُلِّ عَيْنٍ لَامِيَةٍ.

'U'eethukumaa bikalimaatil-laahit-taammati min kulli shaytaanin wa haammatin, wa min kulli 'aynin laammatin. I seek protection for you in the Perfect Words of Allah from every devil and every beast, and from every envious blameworthy eye." [Al-Bukhari 4/119]

QIAS Department

Allahuakbar we are towards the end of the first term and also the last month of the hijri calendar, Dhul hijjah, the month of sacrifice. Allah ﷻ sent us to this world so that we may worship Him and it is apparent that we will be tested throughout this life. We must readily give away or sacrifice that which is dear to us for the sake of Allah ﷻ following the footsteps of Prophet Ibraheem عَلَيْهِ السَّلَام as he passed the hardest of tests from Allah ﷻ. May Allah ﷻ guide us and make us among the Mu'mineen. Aameen.

Theme of the Month-Montessori

This month's theme was taken up as a study of the myriad seasons that our country is blessed to experience. Students took immense pleasure in performing the activities that revolved around the 4 seasons and this activity was extremely hands on throughout the season. Apart from the children's tasks, there was a lot that was happening at the Montessori. Parent's observed their ward throughout the month showing much curiosity over their child's development and the same anxiety was reciprocated by the children showing their parents their environment and how they expertly employ the tasks assigned to them.

IJ-Assessments

Alhumdulillah, by the grace of Almighty Allah, our juniors at Iqra have executed their assignments exceedingly well. Our assessors conducted the assessments in an amiable manner, to leave the onlookers impressed and overjoyed. It was extraordinary that the students were comfortable and they really had a lot of fun in doing their assessments. Most of the intelligent and ingenious Iqranians succeeded in attaining excellency whereas a handful could make it to the top, unquestionably they have the potential to perform much better. InshaAllah.

IIS- Assessments

As we endeavor to promote learning in students, it becomes imperative for us to better understand the processes through which that learning takes place. Part of that understanding naturally concerns the assessment process, and how students experience assessment. After a wearisome month of revision followed by orals and written assessments, our iqranians went on their eid break but not before they had a quality circle assessing their behavioural conduct and psychological development. May Allah bless our children to inculcate the ever so gracious manners of Rasoolullah ﷺ and his companions in all spheres of life. Aameen.

Love for Animals-It's a Sunnah

Love for every living being was splendidly showcased by our little iqranians. Tiny beautiful birdies from the UKG cordially welcomed an unbelievably cute little kitten so as to pet it and share the language of love. Superbly presented in an equally lovely basket, our guest was warmly brought in and was pampered to the utmost. Cuteness was right at its highest level in the iqra house! MashaAllah! Besides just watching the feline wonder in amazement, our students also learnt how to take care of pets, right way to feed them, what to feed them, how to maintain hygiene of the creature along with their own selves. Every action in this event was laced in sheer fun with the furry wonder. As for the star herself, it entertained and delighted our kids, the mutual connection was simply worth watching, purely enticing! What are you waiting for? Your child is now mature enough to take care of a pet, go get one now!
